REPORT OF THE OVERSEERS OF THE POOR

Of the Town of Walpole from March 1, 1868, to Feb. 1, 1869.

By a vote of the town, passed at the last March meeting, authority was given to the selectmen to make such changes in the real estate of the Almshouse as they might deem best for the interests of the town. In accordance with that vote the selectmen disposed by auction of the old town farm, and purchased of Smith Gray the Daniel Allen place for an Almshouse. The old farm was purchased by the town in the year 1837, and cost \$2,700. It was sold — with the exception of nine acres of meadow, valued at \$300, which was reserved, — by auction, April 8, 1868, for \$2,342.

REPORT OF THE OVERSEERS OF THE POOR

Of the Town of Walpole from March 1, 1868, to Feb. 1, 1869.

By a vote of the town, passed at the last March meeting, authority was given to the selectmen to make such changes in the real estate of the Almshouse as they might deem best for the interests of the town. In accordance with that vote the selectmen disposed by auction of the old town farm, and purchased of Smith Gray the Daniel Allen place for an Almshouse. The old farm was purchased by the town in the year 1837, and cost \$2,700. It was sold — with the exception of nine acres of meadow, valued at \$300, which was reserved, — by auction, April 8, 1868, for \$2,342.
